

AGREEMENT TO EXTEND AND AMEND THE MEMORANDUM OF UNDERSTANDING
Between
THE DEPARTMENT OF ENERGY OF THE UNITED STATES OF AMERICA
And
THE MINISTRY OF SCIENCE AND TECHNOLOGY OF THE REPUBLIC OF KOREA
FOR A COOPERATIVE LABORATORY RELATIONSHIP

The Department of Energy of the United States of America (USDOE) and the Ministry of Science and Technology of the Republic of Korea (MOST) hereinafter referred to as "the Parties";

Recognizing that the Memorandum of Understanding for a Cooperative Laboratory Relationship (hereinafter referred to as "the MOU") signed on June 14, 1996, as amended, provided for a duration of five years with the possibility of extensions;

Recognizing that the Governments of the Parties have agreed to intellectual property provisions pursuant to the Agreement Relating to Science and Technology Cooperation Between the Government of the United States of America and the Government of the Republic of Korea (hereinafter referred to as the S&T Agreement) signed on July 2, 1999, which entered into force with effect from April 29, 1999;

Noting that the Parties have a strong desire to continue to cooperate in the area of civil uses of atomic energy; and

Acting pursuant to Article VI, Paragraph A, of the MOU;

HAVE AGREED AS FOLLOWS:

1. The MOU is hereby extended for five years, effective from June 14, 2001, to June 14, 2006, and will be automatically renewed for further five-year periods unless either Party notifies the other in writing at least six months prior to the expiration of the five year period or each succeeding five-year period of its intent to terminate the MOU.
2. Reference to the Joint Standing Committee on Nuclear and Other Energy Technologies (JSCNOET) in paragraph four of the preamble shall be changed to read the Joint Standing Committee on Nuclear Energy Cooperation (JSCNEC).
3. Annex I (Intellectual Property) to the S&T Agreement, attached, shall replace Annex I to the MOU.

Done at Washington, this 1st day of April 2002 in duplicate, in the English language.
